PROJECT COORDINATOR

FULL-TIME

The Project Coordinator must have strong technical knowledge in the areas of sound, video, lighting, visuals and computers. A proven track record of providing superior customer service is essential. This individual will oversee the coordinating of various types of audiovisual shows including all pre, onsite and post work. These shows include annual general meetings, sales presentations, awards banquets, conventions and special events.

We are looking for self-motivated people who thrive on working in a team environment. Remuneration is negotiable and would be based on past experience.
