## EVENT PRODUCTION & MANAGEMENT SERVICES

*We watch the details so you don't have to.*

Our team of dedicated professionals will cost-effectively manage, produce and direct your event, meeting or convention with style and precision, whether it's around the corner or across the continent. The event management team at AV-CANADA provides expertise and consultation during all phases of your event production to ensure that you know what is happening every step of the way.

## STAGING/SET DESIGN & CONSTRUCTION

*AV-CANADA provides solutions that fit your needs...not ours!*

Your AV-CANADA team of account executive, CAD and set designers, are there to work within your budget to provide customized solutions for staging and set designs to meet your specific needs.

Professional renderings, drawings and floor plans are provided as a reference so you can watch your event come alive as it is constructed to our exacting specification. If you choose to, you can select from a wide array of props and theatrical scenery to make your presentations even more memorable.

## LIGHTING & SPECIAL EFFECTS

*See it...believe it!*

Lighting and special effects can add impact and drama to any event without breaking your budget. AV-CANADA's imaginative designers will develop a customized package using our own state-of-the-art equipment that is guaranteed to make your event shine.

## MULTI-MEDIA & CONTENT SERVICES

*Imagine listening to a song. Add the video that goes with it. How about a light show? Now you've got a presentation!*

Multi-media shows, used to open or close your event, add impact and excitement that will carry the memory of your message far beyond the event itself. AV-CANADA's multi-media producers access our state-of-the-art, fully equipped digital studio to produce professional audio and visual presentations that are affordable and dynamic.

## GRAPHIC SERVICES

*Consistent messaging is the key to success.*

Show the world what you're all about. Ensure your brand and messaging are consistently represented in all components of your event including signage, presentations and other materials. AV-CANADA's accomplished graphics professionals will work with your style guides to communicate a consistent, professional message, wherever and whenever you need them.
